

From the Principal

All Lutheran Schools of Australia, including Sunshine Christian School, have adopted ten important values we believe are important lifelong qualities for all members of community. The values of love, justice, compassion, forgiveness, service, courage, humility, hope, quality and appreciation can be seen around the school in various forms.

You may have seen the values printed and clearly visible on posters throughout the classrooms and the school. You may have also seen them featured on one of our large murals on the side of the office building.

However, the Lutheran values at Sunshine Christian School are not just something that we see on a wall. The school is blessed to see these values lived out by our students and staff, through actions and words, every day.

We recognize and appreciate the students who live out these values in a number of ways. One of the special ways in which we recognize students who live out our school values is through the 'Micah Award'. The school presents the Micah Award each week at Monday Whole School Worship to a student who has displayed one or more of these values during the previous week or over an extended period of time.

The name of the Micah Award comes from a verse in the bible, Micah 6:8.

*'He has told you, O man, what is good;
and what does the LORD require of you
but to do justice, and to love kindness,
and to walk humbly with your God?'*

The award is built upon this verse and the values it depicts. We want our students to strive to follow God's commands and to live the way that Jesus lived his life. All of our students are gifts from God, and we encourage the students to grow in Christ-likeness and live out these values with humility.

As each newsletter is published, please take note of our Micah Award recipients; give thanks to God for them and celebrate with us the way they have displayed not only our school values, but Christ-likeness.
