Child Safety Code of Conduct

The Child Safety Code of Conduct outlines appropriate standards of behaviour towards students for all adults in the School environment, and the School's expectations for compliance. It serves to protect students, reduce any opportunities for abuse or harm to occur, and promote child safety in the School environment. It provides guidance on how to best support students and how to avoid or better manage difficult situations.

It is the School's policy that any breach of the Child Safety Code of Conduct is a child safety incident that must be reported internally.

Any breach that meets the threshold for external reporting must also be reported to the relevant external authority.

For more information, refer to our procedures for [Responding to and Reporting Child Safety Incidents or Concerns](#).

The School reviews the Child Safety Code of Conduct Insert Frequency (e.g. annually) . Sunshine Christian School Board has approved the Child Safety Code of Conduct.

The Child Safety Code of Conduct is published on our public website.

Our Child Safety Program also includes a [Staff and Student Professional Boundaries](#) policy that provides detailed guidance for all Staff, Volunteers and Contractors on how to maintain professional boundaries between with students.

Agreement to the Child Safety Code of Conduct

The School provides a copy of the Child Safety Code of Conduct to all Staff, relevant Volunteers and relevant Contractors at induction, or otherwise prior to them commencing work at the School. The School also communicates it via refresher training at regular intervals for all Staff, as well as Direct Contact and Regular Volunteers and Direct Contact Contractors.

All Staff, as well as Direct Contact and Regular Volunteers must sign an agreement to adhere to the Child Safety Code of Conduct prior to commencing work at School.

The Child Safety Code of Conduct forms part of the contract between the School and any Direct Contact and Regular Contractors. Therefore, all Direct Contact and Regular Contractors are deemed to have agreed to adhere to the Child Safety Code of Conduct on signing the contract or on commencing work at the School.

The Child Safety Code of Conduct and Reportable Conduct

Our Child Safety Codes of Conduct outline expected standards of behaviour for all Staff at the School. However, breaches of these Codes of Conduct will not always be Reportable Conduct. For example, a Volunteer accepting a social media 'friend' request from a student would be a breach of our Child Safety Codes of Conduct but may not amount to Reportable Conduct.

These kinds of breaches of our Child Safety Codes of Conduct can be dealt with at the School level and the School does not need to report them to the Commission for Children and Young People.

For more information, refer to our [Reportable Conduct](#) policies and procedures.

Consequences for Breaching the Child Safety Code of Conduct

Staff, including the Senior Management and Principal, Volunteers and Contractors who breach this Code of Conduct may be subject to disciplinary actions that may result in a range of measures including (depending on the severity of the breach):

- remedial education
- counselling
- increased supervision
- the restriction of duties
- appointment to an alternate role
- suspension
- in the case of serious breaches, termination of employment, contract or engagement.

Where any other member of the School Community breaches any obligation, duty or responsibility within our Child Safety Code of Conduct, Sunshine Christian School will take appropriate action ([School Community Safety Orders](#)).

Report Any Concerns

Whenever there are concerns that a child or young person is in immediate danger, call the Police on 000.

Staff

It is the School's policy that any breach of the Child Safety Code of Conduct is a child safety incident. Therefore, all Staff, Direct Contact and Regular Volunteers, and Direct Contact and Regular Contractors who witness, or suspect, any breach of this Code of Conduct must report their concern internally to a Child Protection Officer or the Principal. Where the child safety incident or concern involves the Principal, internal reports should instead be made to the Chair of Board by emailing erinmibus@gmail.com.

Staff who, in good faith, make an internal report alleging a breach of the Child Safety Code of Conduct will be protected from victimisation or other adverse consequences.

Note that reporting internally does not change any obligation that Staff may have under legislation to report to an external authority.

Our Child Safety Program includes information for Staff, Volunteers and Contractors about how to identify key indicators of child abuse or other harm and how to report child safety incidents or concerns to relevant external authorities.

For more information, refer to our procedures for [Responding to and Reporting Child Safety Incidents or Concerns](#).
